### The longest running annual event of its kind in America.

Some people ask how we come up with great routes year after year. Well, it's not easy. There are so many great roads in Colorado and surrounding states, and so much beautiful scenery to choose from, it's a tough job, but somebody's got to do it. The route for this year is just another fantastic one and trust us, you'll love it. Visit our website: "[www.cofreewheelers.org/1000-in-24.html](http://www.cofreewheelers.org/1000-in-24.html)" for further details. (2015 route info posted May 1st, or so)

This is **NOT** a race. The ride can be completed within the time limits without exceeding the posted speed limits. This is **NOT**, however, a simple Saturday ride. Make sure you and your motorcycle are ready for a long run. Plan your trip, be well rested, bring snacks and gear for any weather condition. Make sure all systems of your bike are thoroughly checked for safety and performance. These items include: Tires, Brakes, Lights, Drive Train, etc.
